## Charles R. Crane, May Lose Commission To China

WASHINGTON, Oct. 10.—The Hon. Charles R. Crane may not represent the United States in China after all. The newly appointed envoy extraordinary and minister plenipotentiary to the Flowery Kingdom arrived here today in response to the call from Secretary Knox, and at once had a conference with the Secretary of State. There is a rumor current in circles supposedly well informed, that the conference blasted the hopes of Crane as far as a diplomatic post in China is concerned. Report has it that some of the utterances which the minister made in the course of interviews published in Chicago newspapers have not met with the approval of the administration. Crane talked rather freely on the China-Japanese situation, and this may have made the Secretary of State doubtful as to the wisdom of entrusting to him the delicate negotiations which will fall to the lot of the United States Minister to China during the next year or two.

At any rate, there is a report which appears to have considerable foundation that Mr. Crane's interviews caused his recall and may possibly result in his removal from office before he has had a chance to show what he can do.

Crane was in San Francisco, ready to sail for his new post when he received the telegram from Secretary Knox summoning him to Wash-  
ington. Before responding to the call he conferred with the President, but evidently received little satisfaction. The matter is causing no little talk in official circles.

### GAYNOR CHARGES HEARST WITH BETRAYING HIM.

NEW YORK, Oct. 10.—Justice William J. Gaynor, Democratic nominee for Mayor of Greater New York, charges William Randolph Hearst with having betrayed him. In a public statement issued today, Gaynor says that the journalist-politician asked him to run for the mayoralty and pledged to give him every support, no matter on what ticket he might be nominated.

The acceptance of a nomination for the same office on an independent ticket by Hearst, Gaynor characterizes as a breach of trust. Gaynor is very angry at what he considers the duplicity of the man who first induced him to allow his name to be used in connection with the mayoralty.

Hearst tonight responded to Gaynor's scathing arraignment by denying that he promised the noted jurist unrestricted support. Hearst insists that he betrayed no one in accepting the independent nomination and that there is nothing in any pledge made to Gaynor which would forbid him accepting the nomination tendered him.

### PRESIDENT SPEAKS TO TREMENDOUS CROWD.

FRESNO, Oct. 10.—President Taft today delivered a sermon here in the presence of the largest crowd ever assembled in this city. There was a wild rush for seats, and though every effort was made to provide accommodations for all who might come, many persons were turned away disappointed.

After his address here, the President and his party started for Los Angeles. The train left at 6:25 o'clock tonight and will reach Los Angeles Monday morning shortly after sunrise.

### THIRTY-ONE MILLIONS FOR RUSSIAN RAILROADS.

ST. PETERSBURG, Oct. 9.—Thirty-one million dollars will be ex-  
pended by Russia in railway construction during the year 1911. The ministry today submitted an extraordinary budget to the duma, calling for the appropriation of this enormous sum to be used in the construction of new lines.

Russia's activity in railroad building is causing no little excitement, and other European powers are looking with interest not wholly unselfish on the plans of the czar's ministers. Statesmen are discussing the probable significance of the actions of the ministry.

### GEN. PERSHING WILL SPEAK AT CLUB

Brigadier General John J. Pershing, the hero of the Moro campaign in the Philippines, is a passenger on the transport Thomas, that is expected to arrive Tuesday evening or Wednesday morning. General Pershing will address the Commercial Club at a luncheon given in his honor at the Club Wednesday noon. Communication was secured with him by wireless and the arrangements are all made.

### BUDDHIST PRINCE OSTANI ARRIVES ON MONGOLIA.

(Continued from Page 1)  
the Young Hotel. After a short rest the local priests, the island priests and the delegates, who had arrived on yesterday's steamers, were presented to the prince.

This done, the church committee, consisting of Messrs. Kawahara, Takakura, Dr. Haida, Ishii and others, were presented to him in the assembly hall of the Mission. They were followed by the members of the Japanese Women Society, headed by Mrs. Rev. Imamura. They wore

their society symbolic medals on their kimonos as they stood in silence and listened attentively to the address of the prince.

The reception room of the Mission was fittingly decorated with flowers and Japanese pictures. On the Ewa side of the room was placed a stuffed peacock with its beautiful feathers. The prince was greatly pleased to see the mission, well decorated with the artificial colored papers, which were strung along the sidewalk on both sides of the alleyway which leads to the Mission grounds.

At about 10 o'clock the prince, followed by Rev. Imamura, superintendent of the Buddhist Mission here; Rev. Uchida, superintendent of the San Francisco Buddhist Mission, and the island priests and delegates, walked into the grand assembly hall, and there he addressed the congregation, which is the largest of any given here for many a day. He and the priests were attired in their beautiful garments, appropriate for the occasion.

The prince, in addressing the congregation, told them to do what is right and good for themselves and for their fellow men. He also advised them to do that which will not be disgraceful. His delivery of speech was clear and distinct. He was followed by Rev. Uchida, who also advised the congregation to respect the duties which they are expected to do so long as they were believers in the Buddhist church.

## CANADIAN LINER

### FROM THE COLONIES

Shortly before 3 o'clock this after-  
noon, the Canadian-Australian liner  
Marama, from the Colonies via Suva  
moored at her dock. The vessel  
brought some three hundred tons of  
freight for Honolulu. She has ample  
cabin passenger accommodations for  
intending travelers to the coast.

Sidney B. Cushing, the Mill Valley  
millionaire, committed suicide Sep-  
tember 30 after making careful prepa-  
rations. Sometime ago he suffered a  
stroke of paralysis and he felt that  
death was "the greatest kindness he  
could bestow on his family." Mr.  
Cushing visited this city two or three  
years ago with Wm. Kent, with whom  
he was associated in business.

About 500 Japanese were this  
morning baptized and were officially  
announced as believers in the Bud-  
dhist Church. The ceremony was  
performed by the prince in the as-  
sembly hall of the Buddhist school  
on Fort street, mauka of School  
street. During this ceremony the  
converts were assembled in the as-  
sembly hall, and there the prince,  
with the official razor in his hand,  
went around and touched it lightly  
on the head of each and every con-  
vert and declared them officially ad-  
mitted as full-fledged converts of the  
Buddhist church. According to the  
opinion of some people, it was ex-  
pected that the prince while con-  
ducting this secret ceremony, would  
actually shave the hair off the new  
converts, but this did not happen.  
No one was permitted to remain in  
the hall during the performance of  
the ceremony. Hanging on the wall  
on the mauka side of the hall was a  
symbol, written in Japanese. It  
read "Eternal Life."

## Collection.

According to the religious cus-  
toms, the new converts were each  
taxed one dollar, after the prince had  
actually performed the ceremony and  
announced them qualified converts.  
The contribution, which amounts to  
about \$500, will be turned over for  
the support of the Buddhist Mission  
in Japan.

## Gave Kooka.

One of the priests stated today  
that the prince, the guest of Rev.  
Imamura, gave \$100 for the benefit  
of the Japanese Charity Society, and  
\$100 for the support of the Women's  
Society. For these gifts the presi-  
dents of the two societies have ex-  
tended their thanks to the Royal  
alder.

The prince, who was accompanied  
from San Francisco by Rev. Uchida,  
will be accompanied from here to  
Japan by Y. Ishii, one of the lead-  
ing Buddhists in the Territory. When  
the Mongolia left San Francisco it  
was thought best by the Buddhists  
there to send one of their number to  
accompany the prince back to Ja-  
pan, and hence Rev. Uchida came  
along with him.

A SPECIAL TRIP to Ahukini will  
be made by the Inter-Island steamer  
W. G. Hall, which leaves this evening  
at 5 o'clock. The vessel is taking gen-  
eral cargo.
